

Non Wovens

(C039) Velette Cloths (25)

The new 'Velette' cloth is a hardwearing semi-disposable cloth. Strong and highly absorbent, the Velette incorporates an antibacterial treatment to maximise hygiene standards and is machine washable. Available in **Blue, Red, Yellow** or **Green**.

(C031) Multi Purpose 'J' cloths – blue (50)

The 'J' cloths are extremely economical and ideal for a multitude of cleaning jobs. The chemically bonded non woven fabric is printed with large diamond designs.

(C339) Vileda Breazy Cloth (25)

Vileda's NEW Semi-Disposable microfibre cloth can be machine washed up to 15 times. It has been certified by a leading, independent institute of a giving a 96.3% reduction of bacteria in just ONE wipe.

**(W125) MicroGlass 40cm x 40cm
(W142) MicroGlass 60cm x 80cm**

'MicroFibre' Fabric superior action wipes can be used wet or dry to make any cleaning job easier.

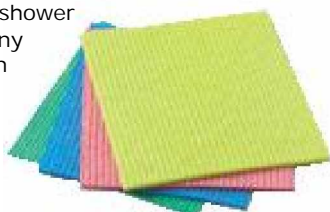

(C050) Microfibre Cloth 40x40cm (each)

The Microfibre cloth is an extremely durable cloth, which is double stitched helping withstand repeated wash cycles. Research has shown that a microfibre cloth reduces surface debris and lowers bacteria by over 96%. Available in **Blue, Red, Yellow** or **Green**.

(C144) Vileda Sponge Cloth (pack of 5)

A pure natural product made from cotton and cellulose. Super absorbency makes these unique cloths great for washing dishes, sinks, tubs, and shower stalls. Can be used for virtually any cleaning chore around the kitchen and bathroom. They are biodegradable and available in four colours for colour coding.

(C038) 3M Commercial Sponge (each)

3Ms large commercial sponge is a long lasting, industrial grade product.

Wovens

CLOTHS

**(C227) Floor Cloths 18"x19" (10)
(C034) Herringbone Floor Cloths (10)**

Our heavyweight floor cloths/swabs are ideal for all floor and wall washing.

(C035) White Dishcloths (10)

White bleached dishcloths with colour coded edging. Packed in 10s, each dishcloth is 18" x 18" and a very popular cloth for all types of cleaning. Available with

Blue, Red, Yellow or **Green** edging.

(C033) Stockinette Roll (each)

Stockinette rolls are 1000gm in weight and are 'fine' grade. Stockinette rolls are highly absorbent and ideal for cleaning and polishing all kinds of surfaces.

(C032) Terry Tea Towels (10)

High grade tea towels available in a mixed pack of ten.

(C148) Linen Glass Cloths (10)

High quality linen union glass cloth measuring 20" x 30" which offers streak free drying of glassware. Economical and hardwearing.

(C037) Economy Yellow Duster 20"x20" (10)
 (C036) Premium Yellow Duster 20"x24" (10)

Soft traditional dusters in yellow Indian cotton for all delicate dusting tasks. Ideal for fragile ornaments etc.

(Z005) 22" feather duster – plastic handle
 (Z006) 48" feather duster – wooden handle

(Z004TS) Telescopic Feather Duster 30"-42"
 (Z004TD) Telescopic Feather Duster 30"-60"

High level genuine lambswool duster for awkward and delicate dusting tasks. Because lambswool is a natural fibre it is both resilient and elastic and will react most crevices.

(Z011OW) Ostrich Feather Duster with wooden handle (20")

(Z011OT) Ostrich Feather Duster with telescopic plastic handle (31-46")

It has been proven for years Ostrich feathers attract dust.

Millions of the softest fibres capture even the finest of dust without scratching.

Follicles on each feather are naturally electrostatically charged which 'attract' rather than repel the dust.

Scourers

(S003) Nylon Scouring Pads (10)

Nylon scouring pad is excellent for common cleaning jobs.

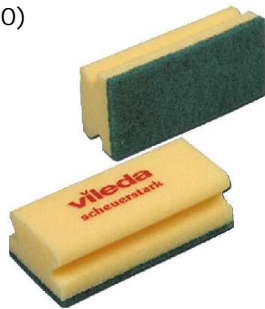

(S004) Economy Sponge Scourers (10)
 (S004J) Jeyes Sponge Scourers (10)

Highly abrasive sponge backed scouring pads.

(S005A) Vileda Abrasive Scourers (10)

High quality scourer with EASY-GRIP foam backing, which protects fingers and keeps the scourer flat for maximum contact.

(S005N) Vileda Non-Abrasive Scourers (10)

All the advantages of the EASY-GRIP shape but with a white scouring surface that is suitable for use on delicate surfaces such as pans, ceramics and stainless steel.

(S007) Galvanised pot scourers (10)

Galvanised heavy-duty metal pot scourers.

MIRACLEAN

(S006) Miraclean troubleshooter pk 12

Vileda's Miraclean is a no.1 troubleshooter for annoying and stubborn marks, made from melamine resin foam, just add water! Use for pen-marked table tops, scuff-marked floors, greasy sinks, finger printed walls and ground-in dirt.

Always test in an inconspicuous area first!
