

Detergents

LIQUID DETERGENTS

- (L001/5L) Clover Laundry Detergent 5 litre
- (L001) Clover Laundry Detergent 20 litre

Clover's Laundry Detergent is a non-biological automatic washing liquid which is highly concentrated to produce brilliant cleaning for all clothing and linen. For best results use through the Ultracare automatic dosing system, or hand wash to remove stubborn stains. Ideal for large laundries; nursing homes, hospitals and hotels.

- (W127/e) Surf Tropical 5litre

Surf Tropical Automatic biological washing liquid can be used for all levels of soilage including in hard water areas. Surf Tropical can also be used for hand washing.

POWDERED DETERGENTS

- (L007) Ariel Tablets 168 per case

Specially formulated to start working the moment a wash cycle begins, Ariel tablets with QuickWash Action immediately release powerful little stain beads to act fast on dirt and stains.

- (L009) Persil Non-Bio Tablets 144 per case

Persil non-bio is dermatologically tested and does not contain enzymes, which is particularly suitable for people with sensitive skin.

- (W008S) SoSoft Biological Powder 9kg

Professional Biological washing powder that has powerful cleaning on whites and colours. Formulated to work effectively at low Temperatures and suitable for all washing machines and water conditions.

- (W009S) SoSoft Non- Biological Powder 9kg

Professional Non Biological washing powder that is enzyme free. It is formulated to work effectively at low temperatures and is suitable for hand washing. The SoSoft range is part of the Jeyes Professional Laundry products.

Fabric Conditioners

- (L006) Clover Fabric Conditioner 5litre
- (L006/25) Clover Fabric Conditioner 20litre

For best results use in conjunction with the Ultracare dosing system. Clover's Fabric Conditioner contains a high blend of fabric conditioners and has a pleasant fragrance.

- (L008) Comfort Easy-Iron Fabric Conditioner

Comfort liquid fabric conditioner, softens fabrics leaving cloths with a fresh fragrance.

Destainer

- (L002/5L) Clover Laundry Destainer 5litre
- (L002) Clover Laundry Destainer 20litre

Clover's Laundry Destaining additive with bactericidal properties for heavily stained fabrics. Designed to penetrate and break down stains allowing Laundry Detergent to remove the stains from the fabric during the main washing cycle. For best results use in conjunction with the Ultracare dosing system.

Ultracare Laundry System

- (ULTC01) Ultracare System Unit

A complete integrated laundry system with a broad range of chemicals and a computer controlled dispensing system. The Ultracare system has a choice of 8 wash menus and also offers a security protection code with complete accountability. Ideal for use in large commercial and industrial laundries; nursing homes, hospitals and hotels.
