**NUMATIC TROLLEYS**

**(TR012) Servoclean NSC1603**

The maxi is a full size, professional janitorial trolley with plenty of storage space. The standard specification comprises a structofoam base unit with a choice of nutex coated steel or stainless steel construction. It has two full size trays with 10 litre pails and a single 120-litre or 70-litre waste system. Two standard mop kits provide a basic choice between twin 17-litre or single 34-litre buckets.

**(TR014) Xtra Compact XC1**

This is the ideal choice of service trolley where space is at a premium and the need for mopping is limited. It comes with two deep tray units; a pair of 6-litre colour coded pails and a full size 18-litre mop pail fitted with a 200g basket to suit most standard mops of this size.

**(TR015) Xtra Compact XC3**

Where mopping facilities are not required this trolley provides maximum storage capacity for servicing of offices and other accommodations. It comes with two full size, deep tray units and a pair of 10-litre colour coded pails. The XC-3 version is fitted with a full size 120-litre waste unit suitable for 700 x 1100mm waste bags.

**CONTICO TROLLEYS**
