

**Refuse Sacks**

**BLACK REFUSE SACKS**

(W012) Refuse Sacks 18x29x39 120g

Packed in 200s, our best selling black refuse sack is ideal for many lightweight applications from household to janitorial use.

(W114) Refuse Sacks 18x29x39 200g

The W114 refuse sack is packed in 200s and is recommended for the catering industry and for heavier use than the W012

(W012B) Refuse Sacks 18x32x42 160g

The W012B is a larger sack that is ideal for use in the black dustbin. It is slightly longer and wider than the standard size sack. Packed in 200s

(W165) Wheelie Bin Liners 30x46x54

Packed in 100s, the W165 wheelie bin liner is made specifically for use in a standard size wheelie bin.

**COMPACTOR SACKS**

(W118) Black Compactor Sack 20x34x47  
(W118C) Clear Compactor Sack 20x34x47

A heavy weight, extra large refuse sack. Perfect for larger bins and heavy rubbish, especially for the catering trade and industrial establishments. Packed in 100s.

**RUBBLE SACKS**

(W140) Blue Rubble Sack 20"x30"

Packed in 100s, rubble sacks, as the name suggests are ideal for heavy and sharp objects.

**COLOURED / CLEAR REFUSE SACKS**

(W113) Clear Refuse Sacks 18x29x39 160g

Packed in 200s, the W113 is a standard size, strong clear bag that is ideal for environments where it is important to see what's inside the bag or for more prestigious places where the refuse sack may be on show.

(W175B) Blue Refuse Sacks 18x29x39 160g  
(W170) Yellow Refuse Sacks 18x29x39 160g  
(Z077) Green Refuse Sacks 18x29x39 160g  
(W175R) Red Refuse Sacks 18x29x39 160g

Four different coloured refuse sacks are available, packed in 200s and suitable for a variety of applications.

**Bin Liners**

**SQUARE BIN LINERS**

(W015) Standard Square Bin Liners 15x24x24

Packed in 1000s, the standard square bin liners are ideal for light weight use in small 'office type' bins. Normally used where liners are changed frequently.

(W015P) Premium Square Bin Liners 15x24x24

Packed in 1000s, the premium square bin liner is almost twice the strength of the standard bin liners.

(W110) Heavyweight Square Bin Liners 15x24x24

A heavyweight, 90 gauge, office bin liner. Packed in 1000s, normally used in environments where rubbish is heavier or liquid is often put into the bin.

(W106) Clear Square Bin Liners 15x24x24

A heavyweight clear liner for office bins that is packed in 500s. This liner is often used in more prestigious office environments.

**PEDAL BIN LINERS**

(W120) Pedal Bin Liners 11x17x17

Packed in 1000s, the W120 is a lightweight bin liner for small pedal bin.

**SWING BIN LINERS**

**(W014) Standard Swing Bin Liners**

Packed in 1000s, the W014 standard swing bin liners are an economical bin liner for a 'Swing' type bin.

**(W131) Heavyweight Swing Bin Liners**

The W131 is a heavier version of the W014 but packed in 500s.

**Bespoke** refuse sacks and liners are available, please call for details.

- If your bespoke refuse sack or liner requires printing there maybe a charge made for initial set up.
- Special orders will be subject to a minimum order.

**Bins**

**OFFICE BINS**

**(B086) Plastic Office Bin**

Economical plastic office bin. Use square bin liners W015, W106 or W110.

**(B031) Metal Office Bin**

Made from steel in bright scratch resistant epoxy paint. Capacity 15 litres. Use square bin liners W015, W106 or W110.

**SWING BINS**

- (B032) 'Lucy' Swing Bin 50 litre
- (B032/24L) 'Lucy' Swing Bin 24 litre
- (B032/9L) 'Lucy' Swing Bin 9 litre

White plastic original style high quality bin and durable lid. Use with either swing bin liners W014 or W131 or standard size refuse sacks.

**DUSTBINS & OTHER BINS**

**(B033) Black plastic dustbin**

Tough black 72 litre plastic dustbin with lid. The bin is also fitted with two clips to ensure the lid remains on.

**(B085) Galvanised Dustbin**

Galvanised dustbin complete with metal lid.

**(B199) Polar Mobile Waste Bin**

Easy to move when full... complete with hands-free foot pedal operation. The Polar bin has a 90 litre capacity, is weather proof available with a choice of blue, green, red or yellow colour coded lids for waste segregation.

**(B091) Open frame Sack Holder**

Free standing holder for plastic refuse sacks, with hands free pedal operation to open lid. The frame is made from high quality white polyester coated steel.

**Ashtrays**

**(AS002) Wall mounted ashtray**

Heavy-duty weather resistant wall mounted ashtray for outdoor use. It has a 3 litre capacity and is lockable.

**(AS003) Floor Ashtray**

Ideal for hotel corridors and reception areas. It has a silver enamel body with stainless steel hinged flaps.

**(AS001) TrASHcan**

An ash stand and litter bin in one, with the body made from structural plastic with a galvanised inner liner.

**Litter Pickers**

**(Z007) Unger's litter picker – Nifty Nabber**

Innovative, multi-purpose tool. Our improved tool is excellent for picking up bottles and debris as well as cleaning urinals and retrieving out-of-reach items. It is the ideal extension to your arm. The Nifty Nabber is made of aluminium and features rubber, overmolded steel fingers. Powerful claws grip small and odd-shaped objects.
