

Craftex Product Specification Sheet

FABRIC DRY CLEANER

For safe and effective dry cleaning of fabrics, tapestries, silks, velvets etc. which are not suitable for wet cleaning.

Can be used by hand or in a solvent cleaning machine. Odourless blend of mineral solvents, with pleasant added fragrance. Replaces natural oils and lustre. Restores the texture of fabrics.

PRECAUTIONS FOR USE

Use a solvent mask. Do not breathe vapour. Test for colour fastness and fabric texture. Use commonsense precautions when handling chemicals. Avoid contact with skin. Wash chemicals from eyes and skin immediately with plenty of water, if ingested drink plenty of water, seek medical advice. Keep all products out of reach of children.

DIRECTIONS

Ready to use. Vacuum clean very thoroughly to remove all loose dirt and dust. Apply evenly with a natural sponge or trigger sprayer (or use a solvent extraction machine according to the instructions). Treat small areas of fabric at a time. Then wipe fabric with a clean white towelling cloth. Repeat until all the fabric is treated. Very soiled areas should be cleaned again agitating the fabric with the white cloth. Do not saturate beyond the base of the pile. Leave to dry in a well ventilated room. Treat very stubborn marks with Craftex Extra-Solv (0039) before cleaning.

CLASSIFICATION

Solvent based. FLAMMABLE UN3295

Size: 5L
Product Code: 0038
