

K054 : SABRE

biocidal hard surface foaming cleaner

Description of product

Refreshing Citrus fragrance. Multipurpose product suitable for all water washable non-food contact surfaces. Cuts through grease and grime. Active foam assists thorough cleaning. Effective sanitising action leaves all surfaces hygienically safe and clean. Ozone friendly. Does not contain chlorofluorocarbons.

Product Uses

A handy hard surface cleaner for use in washrooms, shops, offices, hotels, canteens public buildings etc

Directions

Holding the container as upright as possible approximately 20cm from the surface, spray on the foam then wipe off with a cloth or sponge. On more greasy/dirty areas increase the contact time for more effective cleaning.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
