GermiSan

READY TO USE FAST BUG KILLING CLEANER & SANITISER

A perfume free ready to use cleaner & disinfectant suitable for use on all hard surfaces including the food industry.

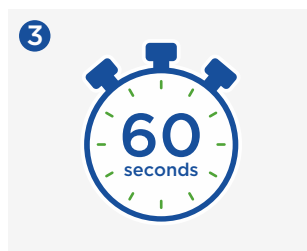

METHOD OF USE

1 CLEAN:
Use GermiSan to clean the surface*.

2 DISINFECT:
Cover the surface with GermiSan.

3 Allow 60 seconds contact time on the surface.

Wipe away with a clean cloth. For food preparation areas, rinse thoroughly with clean water. Leave the surface to air dry.

** For heavily ingrained dirt, especially very greasy surfaces, we recommend cleaning first with a heavy duty cleaner/degreaser.*

REFILL USING THE 5 LITRE

Attach the tap (DIS83) to the 5 Litre container and ensure it's in the off position. Lay the 5 Litre re-fill pack on it's side and place an empty trigger bottle underneath the nozzle.

Turn the tap to ON and re-fill the 750ml trigger bottle with GermiSan.

Once full, move the tap lever to the OFF position and re-attach the 750ml trigger head to the bottle.

EFFICACY STANDARDS

BACTERICIDAL - EN 1276

CONTACT TIME	DILUTION	KILL RATE
60 Seconds	NEAT	99.999%
