

Q-Eco Toilet Cleaner

Germicidal Acidic Toilet Cleaner

USES

A powerful germicidal toilet cleaner and descaler for use on most washroom surfaces, including stainless steel and chrome fittings.

Conveniently packed in an 1litre angle neck bottle.

DIRECTIONS

Toilet Bowls: Remove cap and aim under the rim at the water outlets then around the bowl above the water level. Leave for 5 minutes and brush stubborn stains. To remove stains below the water level, force water round the S bend with the toilet brush and apply as above. Rinse brush thoroughly after use.

Urinals: Apply evenly across the surface of the urinal, leave to react for 5 minutes before scrubbing stains with a brush. Allow to flush automatically and rinse brush.

Sinks: Wear protective gloves. Insert the plug and apply carefully to taps and spread around the inside of the sink. Allow to react for a few minutes and agitate with a cloth or sponge. Remove the plug **DO NOT USE** on ENAMEL, MARBLE, LIMESTONE.

DO NOT USE on acid sensitive surfaces.

DO NOT USE on scratched or damaged surfaces.
