

Product Specification Sheet

S800 CARPETCLEAN XL

LABEL INSTRUCTIONS

Product Description & Directions For Use:

A highly concentrated low foam emulsifier for use in carpet soil extraction machines. Carpetclean XL is phosphate free and contains special corrosion inhibitors to help protect machinery and truck-mount chemical metering systems. Carpetclean XL has been tested and approved for aircraft carpet cleaning.

Approval: SAE AEROSPACE MATERIAL SPECIFICATION (AMS) 1631A(B)

Shake well before use.

Truck-mount metering systems: Dilute 1 litre of S800 in 20 litres of water (1 to 20) to make metering concentrate. Set flow meter at 2 to 4 GPH.

Portable machines: Dilute 15ml of S800 per 5 litres of hot water (1 to 333).

Always pretest carpet for colour fastness with diluted solution before proceeding.

Pretreat heavily soiled areas with S710 Trafficlean according to label directions.

For aircraft prespray, use S800 diluted at 50ml per litre of water (1 to 20).

CARPETCLEAN XL is a high concentrate, phosphate-free extraction detergent for use in portable and truckmounted extraction machines.

- Certified to AMS1631A for aircraft carpet cleaning.
- Dark green turquoise liquid with floral citrus fragrance.

pH Concentrate: 12.5

pH Diluted: 9.5

HANDLING AND SAFETY

IRRITANT

Risk of serious damage to eyes.

Keep out of the reach of children.

Avoid contact with skin and eyes.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
