

PRODUCT INFORMATION SUMMARY

K004 : SELSAFE

air freshener/telephone sanitiser

Description of product

A high quality alcohol based aerosol combining sanitising and air freshening properties. Contains Triclosan for proven biocidal efficiency. Cleans and sanitises telephones. Prevents cross infection by reducing the spread of airborne bacteria. De-odourises and freshens sick rooms. Also suitable as a general purpose air freshener. Ozone friendly. Does not contain chlorofluorocarbons.

Product Uses

For cleaning and sanitising telephones, microphones, headsets and all audio equipment where multiperson use could lead to the spread of infection. Also for nursing homes, sickrooms, care homes and as a general purpose air freshener.

Directions

As a room spray. Close windows and doors. Spray away from occupants into corners of a room, a 3-5 second spray is adequate for the average room. Leave 10 minutes before opening doors and windows. For telephones and instruments. Spray onto a cloth or tissue and wipe clean. We do not recommend spraying directly onto telephones. **RECOMMENDED USAGE:** A short spray leaves the air fresh, clean and healthy. Ideal for hospitals, sick rooms and offices.

iNsign Supported

iNsign is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
